PUTTING THE NEO FIT ON

1. Lift up the Wii Fit Board and put it on its short side with the top of the Wii Fit Board facing towards you.

2. Slide the first elastic strap of the Neo Fit over the legs of the Wii Fit Board. Do the same with the other 3 straps until the Neo Fit is completely on the Wii Fit Board.

TAKING THE NEO FIT OFF

1. To remove the Neo Fit, lift up the Wii Fit Board and put it on its short side with the top of the Wii Fit Board facing towards you.

2. Slide the first elastic strap up and over the legs of the Wii Fit Board. Do the same with the other straps until the Neo Fit is completely off the Wii Fit Board.

TROUBLESHOOTING

Problem: The Neo Fit does not go on properly to the Wii Fit Board.

Solution: Make sure the elastic straps aren't torn. Make sure there aren't any broken parts or anything else hindering proper insertion on the Wii Fit Board.
